Re: In The Matter of Corporate Name Change of United Water Inc. Companies (Filed November 17, 2015) - PSC Docket No. 15-1571

Dear Mr. Prettyman,

The Delaware Public Service Commission ("Commission") is in receipt of the Application (the "Application") by United Water Inc. ("Company") for a name change to Suez Water Delaware, Inc. In order to recommend approval of the Application, additional information is necessary as indicated below. In order for this matter to be considered by the Commission at the scheduled November 24, 2015 meeting Staff would require a response **as soon as possible, but not later than close of business today November 18, 2015**. The responses can be uploaded as a subsequent filing in the Commission's electronic filing system, DelaFile, under Docket No. 15-1571.

The Application indicates that customers will be notified of the name change through an outreach program beginning in November. Please provide a more detailed description of the process that the Company will undertake to notify customers to include the following information:

- Have customers already begun receiving notification of the change? If so, what date did the notification commence?
- If not, what date does the Company intend to begin the notifications and when does the Company expect that the notifications will conclude?
- Please provide a copy of the notification(s) customers will/have received.

Also, a signed, sworn verification of the original Application was not submitted with filing. Please file the required verification form for the initial Application, as well as an additional signed, sworn verification of any subsequent filings made in support of the Application.

Mr. Gary Prettyman
